About the survey

Which statement best describes your total organization?

19%

Domestic. Majority of operations are in home country and mainly supply the domestic market; may have small operations with a few functions in other countries

19%

International. Multifunction operations across an entire region (Asia Pacific, Europe, Latin America, North America, etc.) or in several countries on different continents

62%

Global. Significant operations (i.e., majority of functions) represented on three or more continents

From what perspective would you like to complete this survey? (*For International or Global organizations)*

Local policies and programs: Provide responses about activities taking place in your country

Multinational governance and policies: Provide responses from a headquarters perspective in terms of your company's "general policy" across all countries in which you operate even if not everything applies in every country

38%

62%
- Local policies and programs* (n=21)
- Multinational governance and policies* (n=21)

Note: *Sample size <25.

Executive summary – Global

|	
01 Trend (P6-P10)	▪ There's been a **sharp uptick in the number of employees working from home or using other flexible work arrangements.** Employers expect this to persist through first quarter of 2021 ▪ **Employee safety concerns have been the main reason** for this shift but over time and employee **retention** and **engagement** are increasing in importance as well

02 Policies (P11-P16)	▪ **Organizations have been adapting to this by** Instituting **formal policies** around flexible work arrangements
	  • Many have put these policies in place **only recently or intend to add them very soon**
	  • These new policies are likely to be **permanent**
	  • Eligibility for these policies are driven by **job function** and **all employees are eligible**

03 Impact (P17-P22)	▪ **The immediate impact of these policies are likely to be**
	  • Reductions in real estate and commuting expenses, partially offset by increases in subsidies and allowances for flexible work arrangements
	  • Not going to immediately change how people are paid
	  • Not seen as a first step to offshoring in the immediate future

04 Future	▪ The longer term trends however are **around the way the changing workplace effects the business** and **Talent and Rewards opportunities** required to support a more flexible workplace in the future. These changes touch the **role of the manager, job architecture and pay and benefits**

Policies
Over a quarter of organizations do not have a formal policy or set of principles to manage alternative work arrangements

About **1 in 5** just created a formal policy this year

Does your organization have a formal policy or set of principles to manage alternative work arrangements?
- ■ No — 27%
- ■ Yes, we created them in the last 6 months — 12%
- ■ Yes, we created them in the last year — 8%
- ■ Yes, we created them 2 or 3 years ago — 23%
- ■ Yes, we created them more than 3 years ago — 31%

Most of those without a formal policy intend to add one

Source: Flexible Work and Rewards Survey: 2021 Design and Budget Priorities

Three quarters of organizations with a formal policy are planning or considering making changes to current policies or principles to manage alternative work arrangements

Is your organization planning or considering making any changes to these policies or principles to manage your alternative work arrangements? *(If answer **yes** to formal policies or principles)** (n=19)
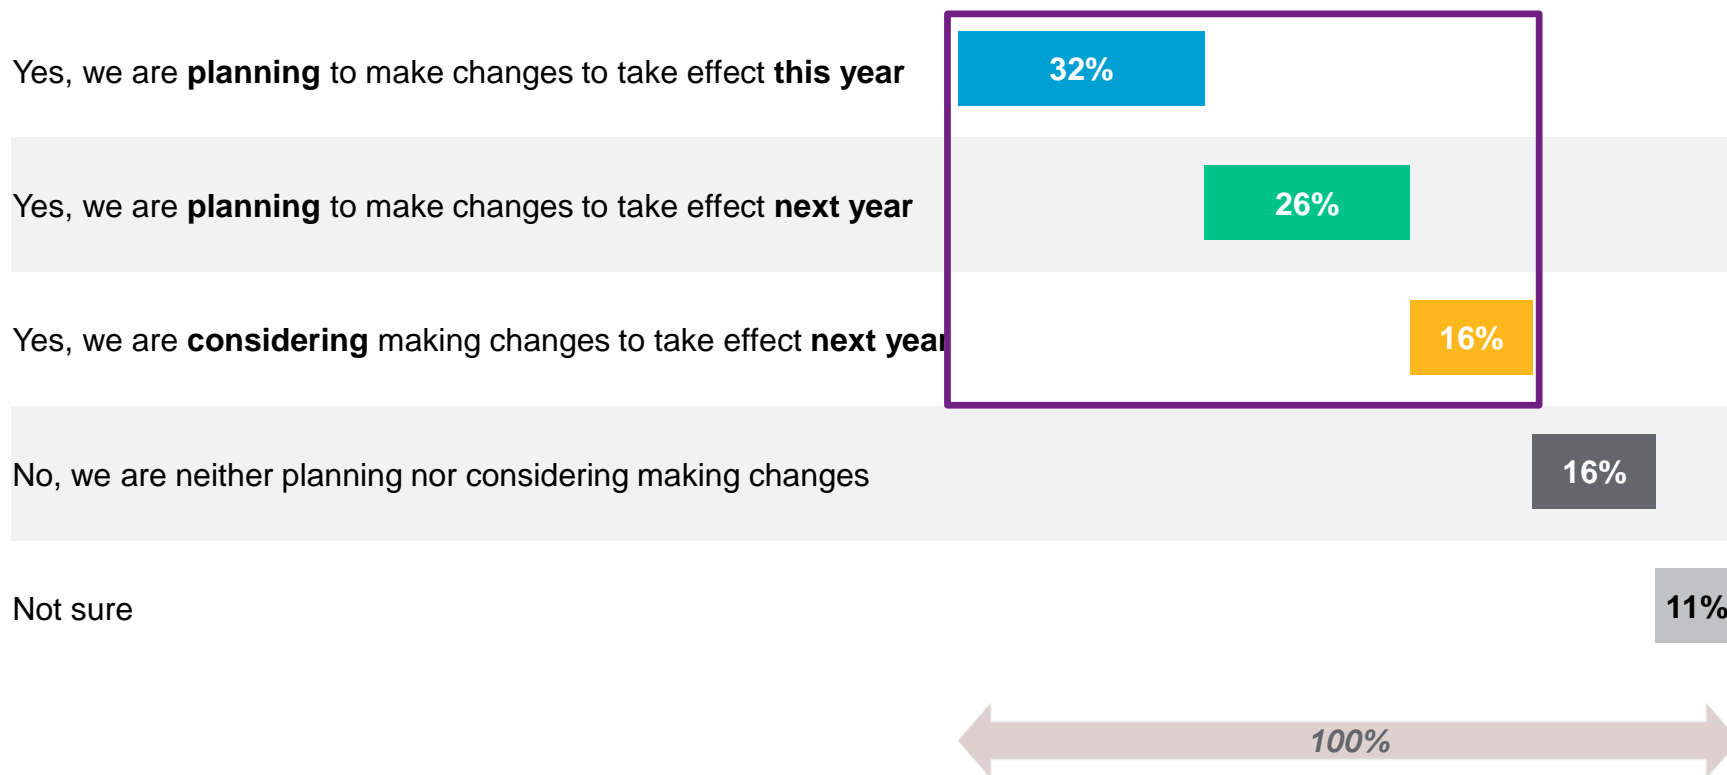

Yes, we are **planning** to make changes to take effect **this year** — 32%

Yes, we are **planning** to make changes to take effect **next year** — 26%

Yes, we are **considering** making changes to take effect **next year** — 16%

No, we are neither planning nor considering making changes — 16%

Not sure — 11%

100%

Note: *Sample size <25.
Source: Flexible Work and Rewards Survey: 2021 Design and Budget Priorities

Most organizations with new policies expect these policies or principles to be permanent

Are these policies or principles expected to be permanent? *(If created formal policies in last 6 months or year or answer yes to planning or considering adopting formal policies or principles)* (n=11)

Yes | **55%**

No, they are likely to end by end of 2020 | **9%**

No, they are likely to end by end of June 2021 | **9%**

No, they are likely to end by end of 2021 | **0%**

No, they are temporary but not sure of end date yet | **18%**

Not sure if they are permanent or temporary | **9%**

Impact
Working from home or working from anywhere is not seen as the first step to offshoring jobs in the near

What proportion of the jobs that will be done through telecommuting or working from anywhere are likely to be offshored over the next 3 years? *(For those that have workers Telecommuting or Working from anywhere in Q1 of 2021)*

None	Less than 10%	10% to 19%	20% to 29%	30% to 49%	50% to 74%	75% or more	Not sure
35%	19%	8%	4%	0%	0%	8%	27%
On average, organizations expect about **13%** of the jobs that will be done through telecommuting or working from anywhere are likely to be offshored over the next 3 years

Source: Flexible Work and Rewards Survey: 2021 Design and Budget Priorities

4 in 5 will pay fully remote workers the same as in-office employees regardless of worker's actual locations for all jobs

Which of the following best describes how pay will be determined for employees who are allowed to work fully remote – working from anywhere in 2021? *(For those expecting to allow employees to work from anywhere in 2021)** (n=16)
- ■ Same as in-office employees regardless of worker's actual location for all jobs

- ■ Based on location (e.g. city/ area) of remote worker for all jobs

- ■ Same as in-office employees regardless of worker's actual location for hot skills, critical roles while based on location (e.g., city / area) for most roles

- ■ Other

Note: *Sample size <25.
Source: Flexible Work and Rewards Survey: 2021 Design and Budget Priorities

Many organizations expect a decrease in commuting to work and real estate expenses in 2021 – partially offset by increases in allowances for working from home

Few organizations expect substantial changes to pay and benefits

What is the anticipated budget impact in 2021 of your flexible/remote working policy?

Real estate expenses: Stay the same 69%, Significant reduction/Small reduction 31%

Expenses for commuting to work (e.g. transportation, meals or company cars): Stay the same 15%, Significant reduction/Small reduction 85%

Allowances and subsidies for working from home: Small increase/Significant increase 65%, Stay the same 31%, Significant reduction/Small reduction 4%

Pay: Stay the same 96%, Significant reduction/Small reduction 4%

Benefits: Small increase/Significant increase 12%, Stay the same 88%

Overall Costs* (n=24): Small increase/Significant increase 4%, Stay the same 58%, Significant reduction/Small reduction 38%

- ■ Small increase (5% to 20%)/Significant increase (20% or more)
- ■ Stay the same (less than 5% change)
- ■ Significant reduction (20% or more)/Small reduction (5% to 20%)

Note: *Sample size <25.
Source: Flexible Work and Rewards Survey: 2021 Design and Budget Priorities

Over the next 3 years, most organizations expect declines in commuting to work or real estate expenses

Some of these savings could be used to help facilitate necessary changes to Total Rewards programs

What is the anticipated budget impact over the next 3 years of your flexible/remote working policy?

	Real estate expenses	Expenses for commuting to work (e.g. transportation, meals or company cars)	Allowances and subsidies for working from home	Pay	Benefits	Overall Costs
Small increase (5% to 20%)/Significant increase (20% or more)			58%	8%	27%	8%
Stay the same (less than 5% change)	35%	19%	42%	88%	73%	60%
Significant reduction (20% or more)/Small reduction (5% to 20%)	65%	81%		4%		32%

- ■ Small increase (5% to 20%)/Significant increase (20% or more)
- ■ Stay the same (less than 5% change)
- ■ Significant reduction (20% or more)/Small reduction (5% to 20%)

Willis Towers Watson

Only 4 percent of organizations have an integrated digital and business strategy

Which of the following best describes the current state of your organization digital strategy?
- We have an integrated digital and business strategy enabling new sources of value with digital capabilities embedded in the organization's value chain.

- We have a well-developed digital strategy that is clearly aligned with business strategy.

- We have a digital strategy, but it is not clear how that is aligned with our business strategy.

- We have a very basic, reactive digital strategy with rudimentary digital capabilities.

Source: Flexible Work and Rewards Survey: 2021 Design and Budget Priorities

Two thirds of organizations have provided employees with digital tools and technologies to help them to be more productive
But fewer say senior leaders and other employees are effective at using them

To what extent are the following applicable to your organization's digital efforts?

	To a very great extent - 5	4	3	Not at all - 1 / 2
We have provided our employees with digital tools, such as mobile and web apps. to help them be more productive	19%	46%	12%	23%
Accountability for success of our digital ambitions is owned by all our leadership	4%	48%	24%	24%
Our employees are quite proficient in using digital tools	4%	35%	35%	27%
Senior leaders are effective at using new technologies and non-employee talent to change the way work is done in every area from customer interaction to internal work processes		50%	19%	31%
Legend: ■ To a very great extent - 5 ■ 4 □ 3 ■ Not at all - 1 / 2

Source: Flexible Work and Rewards Survey: 2021 Design and Budget Priorities

Over half of organizations report their managers are effective at using alternatives, a quarter think managers are effective at removing obstacles to delivering work

To what extent are managers in your organization effective at the following?

Coordinating the delivery of work using multiple alternatives (e.g., employees, independent contractors, AI, etc.)

| 8% | 46% | 35% | 12% |

Helping workers on their team focus equally on what our customers will need tomorrow and what they require today

| 4% | 42% | 42% | 12% |

Removing obstacles to doing work with speed and efficiency

| 4% | 23% | 62% | 12% |

Communicating and leading change around the new combinations of humans and automated workers

| 23% | 46% | 31% |

■ To a very great extent - 5 ■ 4 ■ 3 ■ Not at all - 1 / 2

Willis Towers Watson I.I'I'I.I

Two fifths of organizations are recognizing that new requirements for work require a hybrid model for rewards and pay

**In what ways are your rewards and pay philosophy shifting due to new ways of working?**

We are not concerned with where work gets done for most roles — **50%**

We are recognizing that new requirements for work require a hybrid model — **38%**

We are providing additional benefits to promote workplace flexibility (e.g. backup daycare, subsidies for daycare or virtual learning, subsidies or reimbursement of costs for working from home) — **38%**

We are starting to plan a segmented philosophy based on job families — **15%**

We are setting pay levels by first determining the market value of skills and then applying a geographic differential based on the where the employee is located — **8%**

We are starting to plan for new rewards based on high demand skills — **4%**

We are considering national pay structures and levels — **0%**

Other — **4%**

None, we are maintaining our current rewards approach — **27%**

Half of organizations appear to be **embracing flexible work** and about **two fifths (38%)** are **aligning some benefits** with this philosophy

Source: Flexible Work and Rewards Survey: 2021 Design and Budget Priorities

Only 4 percent of organizations think that their current job architecture and job leveling process support developing a flexible and agile workforce to a very great extent

To what extent do the current job architecture and job leveling process at your organization support developing a flexible and agile workforce?

Job Architecture – Groups jobs based on utilization of similar knowledge and skills, e.g. HR, Finance, IT, Engineering
Job Levelling – Groups jobs based on relative size and value, e.g., Senior Professional, Supervisors
|	Not at all - 1 / 2	3	4	To a very great extent - 5
Job architecture	19%	50%	27%	4%
Job leveling	31%	46%	19%	4%
