

WHY CHOOSING THE AIRBUS SUPPLIER SCHEME

Broadest Scope of Coverage

A-Z

Many non-standard coverage sections included at no additional premium designed according to suppliers exposure

- Extended product liability insurance (including all additional sections available on the insurance market)
- Recall costs coverage
- Professional indemnity coverage for engineering companies (EUR 50K sublimit)
- War risk liability coverage
- Excess premises liability insurance

High Sublimits

Sublimits higher than market standard for suppliers, e.g.

- Extended product liability:
EUR 25M any one occurrence and
EUR 75M annual aggregate
- Recall costs:
EUR 10M any one occurrence and
EUR 50M annual aggregate

Competitive Premiums

Very favorable premium conditions compared to stand-alone solutions

All coverage sections included at no additional cost
